Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Saturday 24 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry overnight with a cloudy start on Sunday.

This Evening and Tonight:
A largely dry evening though the odd shower is possible in the south of the region. Becoming rather cloudy overnight with some clear spells and an isolated shower. Minimum temperature 14 deg C (57 deg F).

Sunday:
After a rather cloudy start on Sunday morning, cloud will gradually break to leave warm sunny spells throughout the afternoon. The odd shower still possible. Maximum temperature 25 deg C (77 deg F).

Outlook for Monday to Wednesday:
Mostly dry on Monday with the chance of the odd shower. Turning more unsettled with outbreaks of rain and heavy thundery showers on Tuesday and Wednesday. Feeling cooler.
